

In many ways, COVID has taken us away from our practice of learning/teaching here at GCPC. While the virus is not going away as quickly as we had hoped, we no longer want it to rob us of vital ministry opportunities as part of a community of faith. So let me remind you of many opportunities here to grow in learning God's truth here at Gadsden CP church. We have 6 Sunday School Classes meeting Sunday mornings from 9:30-10:15:

1. Children (KICKS ministry)
2. Youth (BASIC ministry) CLC
3. Round Table (back corner FH) (a new class for young adults)
4. Inspiration
5. Loyalty
6. Friendship

We will resume meeting on Wednesday evenings for Bible study (children, youth, adult classes) on September 7th.

Use your talent to sing to help resume a choir on Sunday mornings.

We would like to revive our practice of monthly fellowship activities (games, movies, food, something different each month).

Along with the women's ministry groups, we would like to see a men's fellowship develop as well.

Any other suggestions you have are greatly appreciated. Just reach out to your shepherd and begin the conversation!

Finally, please remember I am happy to come see you as the need arises.

Please reach out to me, 256-478-0397, contact your shepherd, or contact Betty Jo at the office to let me know.

In Christ,  
Rev. Daniel Barkley
