REGARDING CHURCH TABLECLOTHS

If you use any church tablecloth, please wash and hang in the cabinet so they will be nice and clean and wrinkle-free for the person coming along behind you to use them. Please do not just fold them haphazardly and put them on top of the cabinet. Not a clean way to store them!!! Also, the tablecloths are for table use only. Please do not use them in the floor. And... tablecloths are for church use only. They are not to be taken and used elsewhere. Thank you for your help.

*Anniversaries
and Birthdays*

We just want to give a big shout-out to all the busy bees we have buzzing around our church. I won't mention any names because I am afraid I will miss someone...but you know who you are. Our busy bees have been keeping our lawn looking so nice and neat this summer, the flower beds clean, and just this week planted flowers in the new planter at the drive-thru. For all your dedication, hard, hot work, we say ...
THANK YOU AND WE APPRECIATE YOU MORE THAN WORDS CAN SAY.
