Our project money for November and December will be used to help a family have a very Merry Christmas.

We invite you to bring your children to the Chrismon Tree to look at the different ornaments that represent our Savior.

We do ask that due to the age and delicate condition of the ornaments that they not be touched.

Thank you for your support of this request.

As we begin 2018, the CPW would like to thank all of you for your support this past year. Without you and your generous donations and your willingness to jump in physically and help us in times of need, we could do nothing. What all we do, we do in the name of our Church and give God the Glory for all things. We are one body of believers helping each other as we strive to help someone else. Thank you again.
